

Christian focuses on ensuring the success of Novartis' digital health partnerships and activities across the Asia Pacific, Middle East and Africa region, supporting innovation teams in delivering improved patient outcomes at scale. As a corporate innovation professional, he advised business leaders in open innovation strategy, design thinking implementation and new product development.

Prior to joining Novartis, Christian was part of the Business Model Factory for Deloitte Tohmatsu Venture Support in Japan, providing open innovation consulting for large corporations and government agencies. He was also an innovation lead for Deloitte SEA and OCBC Bank's Fintech & Innovation Group.
