

Lina joined Roche in 2013 as Head of Compliance and External Relations EMEA, PTQG. Currently, she heads the Roche European based PTQE-R Compliance and External Relations team responsible for Europe and other Regions members of PIC/s. Lina leads many projects relating to Regulatory Compliance, providing advice to Pharma and Technical organization leaders, communicating important regulatory and compliance activities and trends in the external environment, and maintaining open dialogue and transparency with Health Authorities.

Previously, at the French Regulatory Agency ANSM from 2002-2013, Lina was Head of the Quality Assessment Unit following her role as Senior GMP Inspector. She gained extensive industry experience in quality roles of increasing responsibilities at Solvay Pharma, France and Merck (MSD), France and the Netherlands.
